

**REMARKS**

Reconsideration and allowance in view of the foregoing amendment and the following remarks are respectfully requested. Claims 20-23, 25-28 and 81 are amended for clarification purposes.

**Objections to Drawing Figures 1-9 and 11**

The Office Action objects to drawing Figures 1-9 and 11 as being too dark. Applicants submit a new set of drawing figures herewith to obviate this objection. Accordingly, Applicants request that the objections to the drawings be withdrawn.

**Rejections Under 35 U.S.C. § 112, ¶2**

The Office Action rejects claims 1 and 25 under 35 U.S.C. § 112, second paragraph as being indefinite. Applicants amend claims 1 and 25 as suggested by the Office Action above to obviate these rejections. Accordingly, Applicants request that the rejections under 35 U.S.C. § 112, second paragraph be withdrawn.

**CONCLUSION**

Having addressed all rejections and objections, Applicants respectfully submit that the subject application is in condition for allowance and a Notice to that effect is earnestly solicited. The Commissioner for Patents is authorized to charge or credit the **Law Office of Thomas M. Isaacson, Account No. 502960** for any deficiency or overpayment.

Respectfully submitted,

Date: June 14, 2006
